<sup>1</sup> The General Service Office does not keep membership records. The information shown here is based on reports given by groups listed with G.S.O., and does not represent an actual count of those who consider themselves A.A. members.

<sup>2</sup> We are aware of A.A. activity in approximately 180 countries, including 64 autonomous general service offices in other lands. Annually we attempt to contact those G.S.O.s and groups that request to be listed in our records. Where current data is lacking we use an earlier year's figures.
