55th General Service Conference
Basics of Our Home Group—Recovery, Unity and Service

Under the theme “Basics of Our Home Group—Recovery, Unity and Service” the 136 Conference members (delegates from the 93 areas in the U.S. and Canada, trustees of the General Service Board, A.A.W.S. and Grapevine directors and G.S.O. and Grapevine staff) of A.A.’s 55th General Service Conference met at the Crowne Plaza Times Square, April 17-23.

The Conference opened Sunday afternoon with the roll call, welcoming remarks, greetings from the delegate chair and the keynote address.

What is this annual closed meeting, often referred to as A.A.’s “annual business meeting,” about?

Delegate chairperson Jimmy Jack B., of Kansas, speaking Sunday afternoon, said: “We are really the voice of Alcoholics Anonymous as a whole. We need not forget the group conscience of our areas, but you may set those views aside long enough to listen like you have no opinion. This is a whole lot harder than it sounds. It allows me to levitate above the heat of the debate and to get a better look at Alcoholics Anonymous as a whole. It removes my blinders, so to speak. It brings the importance of what we do into the light. Learn to trust the committee process, the Conference process. There will be times we will be given a new perspective that may not agree with how our respective area wants us to vote. Remember, we are here to decide what is best for Alcoholics Anonymous as a whole. Trust the group conscience of your committee; trust the Conference process. We will see spiritual principles in action and experience the unity of the Conference.”

This year’s Conference was chaired by Greg M., G.S.O.’s general manager; Elaine McDowell, Ph.D., (non-alcoholic) chair of the board; Class A (nonalcoholic) trustee Leonard Blumenthal; and Jimmy Jack B., delegate chairperson. Eva S., G.S.O. staff, was Conference coordinator.

Sunday evening Conference members and their guests gathered for the opening dinner. An open A.A. meeting followed, chaired by Laurie E. (Southern New Jersey), and led by Mike Y. (Western Michigan). Speakers were Catherine G. (New Hampshire), Don M. (New Brunswick/PEI), Dorothy H. (GV director), Chuck B. (trustee) and Mary Clare L. (G.S.O. staff).

Spaced throughout the week were reports, workshops, area service highlights, What’s on Your Mind? sharing sessions, and presentation/discussion sessions. Presentations addressed the three Legacies of Recovery, Unity and Service, and there was a Finance Powerpoint presentation. Conference members heard a report on the 18th World Service Meeting, as well as a summary of A.A. Around the World. The A.A. Grapevine presentations addressed “A Vision for the Future.”

For those who like to start their day with an A.A. meeting, the 2005 G.S.C. Serenity Group met at 7:30 a.m. Chaired by Buck R. (Delaware), the daily topic was a reading from A.A. literature. Terry W. (Northern Illinois), served as secretary/treasurer.

New York City Intergroup hosted a hospitality suite Saturday, where early arrivals could have coffee, reconnect with old friends and get to know the new Panel 55 delegates. Throughout the week, local A.A. and Al-Anon members met with the families and friends of delegates and accompanied them on a variety of trips around the city. They visited the United Nations, Brooklyn Botanic Gardens, Intrepid Sea/air Museum, among other sites. Some went to a matinee Wednesday afternoon, or shopping, and, of course, some went to local A.A. and Al-Anon meetings. Tuesday afternoon, all Conference members and their guests took the subway uptown for a visit to the General Service Office and the Grapevine office.

The main focus of the Conference is on the delibera-

1. The General Service Office does not keep membership records. The information shown here is based on reports given by groups listed with G.S.O., and does not represent an actual count of those who consider themselves A.A. members.
2. U.S. and Canada only.
3. We are aware of A.A. activity in more than 180 countries, including 58 autonomous general service offices in other lands. Annually we attempt to contact those G.S.O.s and groups that request to be listed in our records. Where current data is lacking we use an earlier year’s figures.
2005 Conference Advisory Actions and Additional Considerations

Conference Advisory Actions represent recommendations made by the standing committees and approved by the Conference body as a whole; or recommendations discussed and voted upon by all Conference members during general sessions. Some Advisory Actions and a few additional committee considerations appear below in condensed form. A complete list will be published in the Final Conference Report.

Advisory Actions

Floor Actions — that the draft manuscript, *A.A. in Prison: Inmate to Inmate*, including revisions suggested by the 2005 Conference Committee on Corrections, be returned to the trustees’ Committee on Corrections for review and revision, mindful of the concerns expressed during the Conference discussion, and that the revised draft manuscript be submitted to the 2006 Conference Committee on Corrections.

Correctional Facilities— that the “Singleness of Purpose statement,” be included in the pamphlet “A Message to Correctional Professionals”; that the name of the Conference Committee on Correctional Facilities be changed to the Conference Committee on Corrections.

Finance— that in the interest of self-support, area contributions for delegates’ expenses be increased from $800 to $1,200 effective with the 2006 Conference and that areas continue to be encouraged to make contributions over and above this requested amount to help cover a greater portion of the Conference costs.

International Conventions/A.A. Regional Forums— that an encrypted, anonymity-protected, delayed extranet broadcast of the 2005 International Convention Opening Flag Ceremony be approved.

Literature— that the Spanish-language Third Edition Big Book, *Alcohólicos Anónimos*, continue to be developed and a progress report and/or draft copy be brought to the 2006 Conference Literature Committee; that the term “sexual preference” be replaced with “sexual orientation” on page 10 in the pamphlet “A.A. and the Gay/Lesbian Alcoholic; that the revisions suggested by the committee to “The A.A. Group” pamphlet, be approved.

Policy/Admissions— that the timetable for the election of delegates from the Western Canada Region be revised to allow for an even distribution of new delegates on each panel; that the 58th General Service Conference be held April 27-May 3, 2008.

Public Information— that the Membership Survey pamphlet and the one-way Membership Survey display be updated to reflect the findings from the 2004 Membership Survey with the following revision to the reporting categories under “Length of Sobriety”: Sober more than 10 years. Sober between 5-10 years. Sober between 1-5 years. Sober less than 1 year; that the television public service announcement (PSA) “Living in Chaos,” developed by the trustees’ P.I. Committee, be approved.

Report and Charter— that online meetings in languages in addition to English, French and Spanish be listed in A.A. directories under “ONLINE MEETINGS” with the meeting language indicated next to the listing and in accordance with a 1997 Conference Advisory Action.

Trustees—that new language be added to existing language of the Bylaws of the General Service Board regarding successor terms of Class B trustees in the event of resignation or death; that the slate of trustees and officers be elected at the annual meeting of the members of the General Service Board in April 2005.

Additional Considerations

Archives— the trustees provided updates to the Conference committee on the following ongoing projects: preparations for the International Convention, Ownership of Material, the current status of the audio preservation project, and distribution increase of the *Markings* newsletter.

Cooperation With the Professional Community— discussed the need for a pamphlet directed to the criminal justice system and requested that the trustees’ Committee on Treatment Facilities/Cooperation With the Professional Community review current C.P.C. literature to see whether it provides easily accessible information on singleness of purpose, open and closed meetings, proof of attendance at meetings, anonymity and how to contact A.A. locally, and report to the 2006 Conference Committee on C.P.C.

Grapevine— agreed to forward to the Grapevine Corporate Board the request that a collection of A.A. Grapevine stories for young people be produced in 2006 or later.

Treatment Facilities— reviewed the results of the 2004 Treatment Facilities Committee Survey, which noted that in many areas, inpatient treatment services have decreased and outpatient services have increased; and, many local Treatment Facilities Committees bring A.A. meetings into other institutions such as nursing homes, halfway houses and homeless shelters.
Reports From G.S.O., the General Service Board, and Trustees’ Committees

General Service Board

Trustees’ report: As I reflect on our last year together, I am struck by the many gifts trustees receive from A.A.’s trusted servants. We have the privilege of observing dedicated service on the front lines at home, in the U.S. and Canada, and in far flung areas of the world. We look forward to sharing this 55th General Service Conference with you and celebrating the Conference theme, “Basics of Our Home Group — Recovery, Unity and Service.” This year we welcomed four new trustees: Class A (nonalcoholics) trustees Bill Clark, M.D. and Ward Ewing, D.D., as well as two Class B (alcoholics) trustees: Chuck B., West Central region trustee and Tom K., Western Canada regional trustee. At the close of this Conference, Leonard Blumenthal rotates in as chairman of the board and I rotate out. It is with both joy and faith in rotation and great sadness that I leave my spiritual family after so many years.

We will go forward at this Conference without our beloved staff member and last year’s Conference coordinator, Bill A., who lost his struggle with cancer last June after leading us through a very special Conference experience. Those of us who knew him will miss his marvelous presence and devotion to the principles that embody our Fellowship. Many of us experienced Bill’s wonderful spirit and his ability to change the occasional bleak moment into one of joy and harmony.

Adrienne B., G.S.O. staff member, Greg M., general manager and various trustees have traveled to South Africa, Panama, Singapore, Colombia, Mongolia, China, Poland, Greece, Ghana, Togo, Cameroon, France and Great Britain. In November, Greg, Adrienne and I joined members of the General Service Board of France to discuss the possibility of a Central Africa Zonal Meeting in 2007 with members of the General Service Board of Cameroon. Greg and Adrienne plan to attend the Second Sub-Saharan Zonal Meeting in June. We also had the privilege of participating in Togo’s first A.A. convention, and witnessed the beginnings of the general service structure in Mongolia.

The General Service Board hosted the 18th World Service Meeting last October in New York, with 48 delegates from 35 countries, with the theme: “One Message — Many Languages — One Fellowship.”

We join you in looking forward to the 2005 International A.A. Convention celebrating the Fellowship’s 70th Anniversary in Toronto, June 30 – July 3, 2005, with the theme “I Am Responsible,” where tens of thousands of A.A.’s will re dedicate themselves to their own sobriety and to our Fellowship of the Spirit. We will hear the echo of the voice of our co-founder, Bill W., from 1965 in Toronto, “Stirred by gratitude beyond expression, we shall give thanks to God whose grace has made it possible for us to achieve the quality of responsibility, individual and collective, that has brought our Fellowship into its present state of well-being and worldwide reach.” (The Language of the Heart, p. 328) Elaine McDowell, Ph.D., (nonalcoholic) chair

Alcoholics Anonymous

World Services, Inc.

Directors’ report: Alcoholics Anonymous World Services, Inc. (A.A.W.S.) directors are responsible for oversight of the General Service Office (G.S.O.), which provides group services, including printing and distribution of Conference-approved and service literature. The committees of the A.A.W.S. Board are: Services, which considers the needs of all service assignments; Publishing, which reviews reprints, foreign literature and publications concerns; Finance, which oversees salary and budget, audit review, and retirement; and Nominating. Long-range planning is done within each committee and by the board as a whole.

In the past year, G.S.O. welcomed 1,388 visitors, including several groups of 15-50 members, some traveling great distances to spend a day in their office.

A net total of 619 new A.A. groups registered with G.S.O. last year. Each group’s general service representative (G.S.R.) or contact received A.A. literature and basic information to encourage the group to link with the local structure and to support Twelfth Step service work.

The Services Committee presented reports to the full board on G.S.O.’s Web site activity for all quarters, as well as an annual report for the year (2004). “A Brief Guide to A.A.” was added to our Web site. The board also recommended that public service announcements (PSAs) be added to our Web site; a list of A.A. offices overseas; policies applicable to Intellectual Property; and, The A.A. Service Manual/Twelve Concepts for World Service.

As of mid-March, 30,000 people had registered to participate in the celebration of A.A.’s 70th Anniversary, June 30-July 3, in Toronto, Ontario. The countdown to the opening meeting continues, and G.S.O. reminds all attending the unique weekend that proper travel documentation is necessary (for U.S. members a current passport is preferable). Our members with prior convictions for criminal offenses are reminded of the necessity of obtaining clearance through Canadian Immigration authorities in advance of the event.

2005 Budget — The board approved G.S.O.’s Budget for 2005 and forwarded it to the trustees’ Finance & Budgetary Committee for review. The budget includes an increase of $1 per title on books published by A.A.W.S., with the exception of all formats of the Big Book, Alcoholics Anonymous, effective July 1, 2005. The budget includes implementation of a 10% service charge on all orders under $250, with a minimum service charge of $5, effective July 1st. On March 25th, information on price changes was mailed to all central and intergroup offices, G.S.R.s, and non-A.A. purchasers; and was also included in the April/May issue of Box 4-5-9.

Publications — In 2004, G.S.O. distributed a total of 1,953,631 units, up 9% from 1,784,278 units in 2003. Through December 2004, A.A. purchases totaled 472,866 units; while non-A.A. purchases accounted for 481,045 units, or 25%. Last year, 1,402,089 book units were distributed, compared with 1,014,393 units for the same period in 2003, representing an increase of 167,696 units, or 15%. We recently published the 25 millionth copy of Alcoholics Anonymous, and during the 2005 International Convention in Toronto this June, the 25 millionth Big Book will be presented to a friend of A.A.

Copyright Infringement Cases in Germany — In July 2004, we learned that the defendant in the copyright infringement cases in Germany had remitted payment of court costs and attorney fees (approximately $27,000 U.S.) as ordered by the German Appeals Court in October 2003. Language was added to our licensing agreements to
discourage use of our copyrighted material on the Internet without permission. We will insert similar language into all new agreements, and will also apply addendums to existing licensing agreements.

During the transition and implementation of improvements, Information Technology (IT) functions are being overseen by Don Meurer, controller and chief financial officer. IT functions are now supported under a contract with a consultant. We completed conversion of our Exchange Mail to Utopia Systems, Inc., an application service provider (ASP). In January 2005, A.A.W.C.S. engaged Invasion of Hauppauge, NY, to outsource our IT infrastructure.

Archives

**Trustees’ report:** A short video presentation of the Archives was prepared with the intent to include it on our Web site. The audio preservation project was halted due to budgetary concerns. The original project of digitizing and formatting many reel-to-reel tapes has been completed. An inventory of remaining items was prepared and in 2005 the development of a project for reformatting and digitizing this material will be discussed.

Gary K., chairperson

Archivist’s report: We started 2004 with a renewed Markings newsletter and continue to welcome articles contributed by local archivists. Early in 2004 we started to utilize a new underground storage facility north of New York City, where we can store documents under strict climate control, while providing optimum security for our vital records.

Judith Olah, archivist

Audit Committee

**Trustees’ report:** The General Service Board’s Audit Committee consists of four trustees and the board treasurer. The committee reviews such items as audit process, audit results, internal controls, best accounting practices, and management integrity.

Vincent Keefe (nonalcoholic), treasurer

Conference

**Trustees’ report:** We reviewed the Advisory Actions, including the theme chosen for the 55th Conference, “Basics of Our Home Group — Recovery, Unity and Service,” and the Evaluation Questionnaires. We discussed the electronic transmission of agendas and background material and recommended the material be made available on CD format for the 2005 Conference. We reviewed and finalized the Agenda and reviewed all agenda items submitted and forwarded each to the appropriate committee or board for consideration.

Arnold R., chairperson

**Staff report:** The Conference coordinator is the G.S.O. contact for Conference members. The Conference process continues throughout the year and the coordinator corresponds regularly with delegates and alternate delegates. The coordinator is also the contact for area and district committee members, as well as past delegates, in the 93 areas throughout the U.S. and Canada. The coordinator is responsible for: serving as secretary to the Conference Agenda Committee and the trustees’ Committee on the General Service Conference; assembling suggestions for the Conference theme, presentation/discussion and workshop topics; working with the G.S.O. staff and general manager on planning and coordinating each phase of the Conference; scheduling and assembling reports and other information for the Conference Manual, the Early Bird edition of Box 4-5-9 and the Conference Final Report.

Cooperation With the Professional Community/Treatment Facilities

**Trustees’ reports:**

C.P.C. — The committee assists local C.P.C. committees to provide A.A. information to professionals who, through their work, may come in contact with the still-suffering alcoholic. The committee gave the go-ahead to produce the Cooperation With the Professional Community Kit in a three-ring binder format. The committee reviewed the 2004 list of 54 exhibits as well as the exhibit evaluations. Offers to exhibit at professional conferences are considered based on expanding the range of professions and on new geographical locations.

Treatment Facilities — The committee began a long-range discussion on the effectiveness of T.F. committees and the G.S.O. Treatment Facilities staff assignment. The Conference T.F. Committee asked staff to mail a survey regarding T.F. activities to T.F., BTG and H&I chairs, as well as central and intergroup offices. Survey results were compiled, analyzed and reviewed by the committee. The survey results were widely distributed in January 2005.

Allen Ault, (nonalcoholic) chairperson

**Staff reports:**

C.P.C. — The staff member on the C.P.C. assignment, along with a capable assistant, provides information about A.A. and facilitates good communication with those outside of A.A. who may have direct contact with the still-suffering alcoholic through their professional work. In 2004, the C.P.C. desk responded to more than 1,900 inquiries from professionals, 961 of which were associated with visits to G.S.O.’s A.A. Web site, other requests came by letter, e-mail and phone. Meetings with medical students throughout the year is an important part of this assignment. About A.A. is also the responsibility of this assignment.

Rick W.

Treatment Facilities — The purpose of this assignment is to provide information and service material to assist the work of A.A. committees who carry the message to alcoholics in treatment. We now are in contact with 82 area T.F. chairs and, nearly 401 district and “other” local chairs. We maintain an up-to-date list of these committee chairs and provide them with information and literature. Area T.F. chairs are sent the Treatment Facilities Kit, a guide to carrying the message in Treatment Facilities. Treatment facilities sharing is provided to G.S.O. through minutes and reports sent in by treatment facilities committees.

Irene K.

Corrections

**Trustees’ report:** The committee reviewed a draft manuscript for the revision of A.A. in Prison: Inmate to Inmate and recommended it to the 2005 Conference Committee on Correctional Facilities for review and consideration. We also forwarded a report on the feasibility and cost of producing an informational video featuring someone highly credible in the corrections field introducing A.A. into training programs for corrections personnel. The committee recommended that its name be changed from “Trustees’ Committee on Correctional Facilities” to “Trustees’ Committee on Corrections” and this was approved by the General Service Board.

Leonard M. Blumenthal, LL.D., (nonalcoholic) chairperson

**Staff report:** This assignment is responsible for helping A.A. members and local committees carry the A.A. message to alcoholics confined in a variety of correctional settings. Nearly 700 letters a month arrive from inmates, most asking for free literature, many asking for names of outside A.A. members with whom to correspond, or for help in making contact with A.A. upon release. We try to facilitate these requests, primarily through our network of area, district and local Correctional Facilities committees. The newsletter, Sharing From Behind the Walls, containing sharing from inmate letters sent to G.S.O., is also a responsibility of this assignment. The Corrections Correspondence Service (CCS), is coordinated by this desk.

Mary Clare L.
Finance and Budgetary

Trustees' report: At last year’s Conference we reviewed the proposed budget for 2004 and reported that the G.S.O. expected a loss from operations of approximately $616,241, which after mid-year adjustments, resulted in an estimated loss of $760,991. Actual results for 2004 were some $389,000 better. Net revenues were about $349,000 better than expected and expenses were about $40,000 less than budgeted. At the end of 2004 the Reserve Fund balance represented approximately 8.4 months of operating expenses.

Our revenue essentially comes from two sources: profit from literature sales and contributions. We should all be encouraged that contributions in 2004 were again higher than the previous year, even if ever so slightly. This represents the seventh year that contributions have increased.

Contributions of $5,064,000 received from groups and members were $37,000, or 0.7%, less than budgeted, but $67,000 more than in 2003. The $5,064,000 in contributions came from about 25,140 groups, individuals, and service entities. That, for comparison, represents 43.7% of the 57,523 groups registered with G.S.O., and this percent is just slightly less than the previous year.

Beginning in 2002 we were obliged to record funds received on behalf of the World Service Meeting International Literature Fund as Contributions to G.S.O. Total contributions of $5,191,634, as reflected in our 2004 financial statements, include approximately $126,000 received to help carry the message around the world from those participating countries. During 2003, the comparable number was $102,900, and it was $108,000 in 2002.

Turning to the other major component of our income, net sales of literature were $11,297,500. This was $630,000, or 6%, greater than budgeted, and $837,000 higher than 2003. In general, units of books sold increased slightly in 2004 over 2003. In total, printing and other manufacturing costs, shipping expenses and royalty payments were greater than budgeted, as were sales. As a result, gross profit of $5,710,842 was $330,000 more than budgeted. The combination of contributions and net literature sales resulted in total G.S.O. revenue of $10,905,100, some $349,000 greater than originally budgeted.

Total operating expenses for G.S.O. during 2004 were $11,217,318. This was $100,000 less than budget, but $762,000 more than the previous year. Therefore, compared with the budget, the increase in revenues, augmented by the decreased expenses, resulted in an operating loss of $512,148 for the year, a substantial improvement from the budgeted loss of $760,991.

In 1994, G.S.O. lowered prices and increased discounts on literature. These changes were undertaken to lower the Reserve Fund, which was approaching the upper limit established by the General Service Conference. The Conference-approved limit is 12 months of combined G.S.O. and Grapevine operating expenses. We had accomplished the objective of lowering the Reserve Fund. At December 2004 the balance was about 8.4 months. At $9,075,500 (the adjusted balance used for the calculation), the Reserve Fund amounts to $157 per listed A.A. group. To give perspective to this number, contributions per group averaged about $80 for the 57,523 groups registered, while expenses to support services to those groups averaged $153.

Your responsible trusted servants, after reviewing financial matters, recommended an increase in prices of books and booklets (except the Big Book) as well as an imposition of a small shipping charge effective July 1, 2005. The price increase and shipping charge both come one year after the price restoration of the Big Book, on July 1, 2004.

Prudence dictates that even though contribution revenue has seen an upward movement during the last several years, a restoration of the revenue stream is appropriate. Trusted servants continue to explore methods to reduce the costs of operations, as well as assess the services supplied.

This year’s budget includes a slight increase in contributions. The budget projections approximately a 2.5% decrease in costs when compared with 2004 actual, and a 3.3% decrease when compared with the 2004 budget. Based on these primary assumptions – a slight decrease in dollar sales; a 1.5% increase in contributions; a decrease in total operating expenses – the projection for 2005 is for an excess of revenue over expenses of $71,083, which compares with the 2004 budgeted loss of $760,991.

In 2004 we spent $7,622,286 on services to the Fellowship, approximately $534,000, or 7.5%, more than the $7,086,055 spent in 2003. This compares with $7,162,000 spent in 2002, $6,685,600 spent in 2001, $6,143,300 spent in 2000, $5,876,500 in 1999, $5,867,700 in 1998, and $5,944,000 in 1997. Contributions provided 68% of this and 32% came from the profit on literature sales. (This compares with 72% and 28% in 2003, 71% and 29% in 2002, 70% and 30% in 2001, and 73% and 27% for 2000.) Services spending amounted to $132 per listed A.A. group, up $7 from last year, while contributions were about $90 per group, up $1. The 2004 service dollar was spent on the following activities: Group Services, 32.2% (which includes the Group Services assignment; Box 4-5-9; A.A. Directories; records and files; contributions processing; and French services); the General Service Conference, 12.5%; Loners, Internationalists, and Overseas Services, 9.6%; trustees’ and directors’ activities, 6.7%; Regional Forums, 7.8%; Archives, 10.2%; C.P.C., 5.4%; Spanish Services, 1.1%; Public Information, 4.1%; Correctional Facilities, 3.9%; and Treatment Facilities, 1.9%; Convention activities, 2.9%; World Service Meeting activities, 1.7%.

At the Grapevine, magazine income was approximately 2% greater than the prior year, while average circulation was down approximately 3.9%. Average circulation during 2004 was 108,203, compared with 112,614 for 2003, 115,753 for 2002, 115,000 in 2001, 115,700 in 2000, 115,900 for 1999, 117,300 for 1998, 120,679 for 1997, and 126,360 during 1996. Gross profit on the magazine was $1,174,119, which was $18,000 more than the previous year, but $62,000 less than budgeted. Revenue of Other Items was $192,000, less than budgeted and $37,000 less than the previous year as well. Gross profit on Other Items, was approximately $106,000 less than budgeted but only $14,000 less than 2003. Therefore, total income, including interest income, was $1,631,360, almost exactly even with 2003, but about $166,700 less than budgeted.

Costs and expenses for editorial, circulation and business, and administration (excluding the Digital Archives Project funded by the General Service Board) were $1,570,410. This is $56,000 less than last year, and $123,000 less than budget as well. As a result, the Grapevine (excluding La Viña) reported a profit from operations of $60,945, compared with the $5,400 profit last year.

The Grapevine’s 2005 budget, excluding La Viña, anticipates magazine subscription income of $1,816,700, essentially even with the $1,817,900 realized in 2004, an increase in magazine direct costs of $36,000, and a gross profit of $1,125,200. Gross profit on Other Publishing Income is anticipated to increase $56,000, while interest income should be about even. The anticipated profit for 2005 of $17,783 is expected and, when achieved, will make three successive positive years of Grapevine operations.

La Viña, in 2004, averaged a circulation of 9,316. This compared with 2003 average circulation of 9,222, up slightly from the 2002 circulation of 9,000. The project has incurred losses each of the past eight and one-half years. During 2004, subscription income was $75,430 and direct costs of publishing were $66,530, resulting in a $8,900 gross profit. During 2004, La Viña realized approximately $13,900 from the sales of CDs net of costs. Operating expenses directly associated with the publication were $130,830. These include the editorial, circulation and administrative costs attributable to La Viña, making the overall loss on the project for the year $106,050.

In summary, steps taken to enhance the revenue side of the equation, reductions in the expense side, and consideration of long-
term obligations help insure that the Fellowship’s finances remain in good condition. The outlook for this year appears favorable, and we continue to have the financial wherewithal to carry the message.

Reports from the A.A. Grapevine

Directors' report: One of the operating arms of the General Service Board, the A.A. Grapevine, Inc., publishes and distributes the A.A. Grapevine magazine, the international journal of Alcoholics Anonymous, along with collections of Grapevine articles in books, CDs, and other formats and Spanish- and French-language editions of Grapevine books, signs, and recordings. The A.A. Grapevine, Inc., as a service to the General Service Board and the Fellowship, also publishes La Viña, the Spanish-language journal of Alcoholics Anonymous.

As the chief executive of the Grapevine, the executive editor defines the operational goals of the corporation and oversees its administration. Operations are divided among five departments: editorial, finance, customer service, Internet operations, and La Viña.

The editorial staff is responsible for the content, design, and production of the magazine and all other publications. The finance department, supervised by a controller, is responsible for payroll, accounts payable and receivable, and financial reports, and assists in the preparation of the annual budget. The controller also oversees in-house shipping and the services performed by the fulfillment house. Customer service has been handled by a staff of four, two of whom are bilingual. To improve customer service and make ordering easier, some of this work now will be done by the fulfillment house.

For the twelve months ended December 31, 2004, though it came in behind budget by $44,159, the Grapevine Corporation still realized a net income of $60,945, the second year in a row in the black. Average monthly circulation for 2004 was 108,203. This is a 4,464 lower than budgeted and 4,411 lower than 2003. Total magazine income for 2004 was $1,085,960. This was $44,781 lower than budgeted and $36,714 lower than 2003 actual results. Direct costs of the Grapevine magazine for 2004 were $721,841, which was higher than budgeted by $17,310. Actual gross profit on the magazine for 2004 was $1,174,119, below budget by $17,967.

In the last quarter, the Grapevine published a Spanish-language edition of the updated The Best of Bill, a collection of six Grapevine essays by Bill W., and A Guide to the Grapevine: A Workbook for Grapevine and La Viña Reps. This spring, an updated edition of The Home Group: Heartbeat of A.A. will be available along with I Am Responsible, and a new collection of Grapevine stories.

In January 2005, the Grapevine office took responsibility for distributing the French-language editions of Grapevine publications, shipping most items from the warehouse in Canada.

Financial results for La Viña show a net loss of $108,051 for 2004, compared to a budgeted loss of $118,700, which is $10,649 better than expected. Average monthly circulation for 2004 was 9,316. This was 184 copies lower than budgeted, resulting in total magazine income of $75,454. This is $7,596 behind the budget of $83,020. Gross profit for the magazine was $6,905 or $4,513 lower than the budget of $11,418. Sales of the La Viña CD were $17,418 and costs were $3,542.

David E., chairperson

Staff report: Marking its 60th year of publication, the Grapevine has redoubled its efforts to fulfill its mission “to carry the A.A. message to as many people as possible, both inside and outside the Fellowship, through publication of its magazines and related items.”

Special sections of the Grapevine this year have focused on carrying the A.A. message to deaf alcoholics, seniors, newcomers, and A.A.s in correctional facilities and in the military. Others have featured stories on sponsorship, home groups, and families with several generations in A.A. A special anniversary issue was published in June, a staple-free edition of the magazine for prisons came out in July, and a Victor E. anniversary poster was released in August. June also saw the launch of the Grapevine’s Digital Archive, which makes all Grapevine articles, letters, and cartoons published from 1944 to 2004 available on the Web site by subscription or a $2.00 monthly fee.

La Viña has expanded its service to the Fellowship as well. This year circulation reached a monthly average of 9,500, and the first two CDs with recorded stories from La Viña were made available to the Spanish-speaking Fellowship. The Spanish-language portion of the Web site has also been expanded.

Improving customer service and other fulfillment service continue to be the top priorities. To speed delivery, magazines are going into production sooner, new subscribers’ issues are being mailed earlier, and postal services have been upgraded. The staff continues to look for ways to support the magazine representatives in each group (GVs and RLVs), with better communication. To consolidate its publications, in January the Grapevine began distributing Grapevine publications that have been translated into French.

The corporation employs fourteen full-time staff and four regular freelancers.

The Budget Highlights

2005 G.S.O. Budget

This budget describes the “OPERATIONS” of the General Service Office. It includes expenses of A.A. World Services (the Publishing operation) and the General Fund (Service activities). It excludes any activities reported separately in the Reserve Fund, Convention Fund, or the Capital Projects Fund. The Grapevine operations are described below in a separate report.

Income: The 2005 budget projects net sales of $11,425,000, an increase of approximately $450,000 (4%) from the 2004 budget but $173,000 less than the 2004 actual results. The 2005 budget includes increases in the price of books and booklets (effective 7/1/04) (with the exception of the Big Book, which was restored to the $6.00 level effective 7/1/04). In addition, a small shipping and handling charge is proposed, also effective 7/1/05.

After accounting for leveling in unit sales of the 4th edition and the “Anthology of Stories dropped from earlier editions,” generally sales of other products are expected to be flat. One should remember that when introduced, the price of the 4th edition of the Big Book was set at $5.00, less than the $6.00 price on the 3rd edition, with the expectation of reducing Gross Profit and the Reserve Fund as well. It was expected that, depending on increases in Contributions, Prices would need to be increased in a few years.

Manufacturing costs are budgeted slightly less than 2004. Part of the reduction allows for a mix of costs resulting from the expected leveling of 4th edition and “Anthology” sales. Some is attributable to estimates for better cost of product. Royalties are budgeted at $175,000.

Shipping and warehousing costs are budgeted somewhat less as well. While there may be expected increases in operational costs due to inflationary pressures, we intend to ship products using less expensive methods even if it takes a day or two longer to reach their destination. In addition there is some expected recovery from the shipping and handling charge imposed, as mentioned above.

After subtracting manufacturing costs, royalties and shipping expense, gross profit is budgeted at $5,733,600 or 51.5%. This is just $23,000 more than 2004. The Gross profit compares with 50.5% and $5,710,800 for 2004. It should also be remembered that as we continue to strive to have literature available for our Service Conference in the Spanish and French languages as well as English, lower print runs in those languages result in higher production costs. Because we strive to have similar selling prices regardless of our manufacturing cost, lower overall gross profits could occur and thus price increases become necessary.

Prudence dictates that even though contribution revenue has seen favorable upward movement during the last several years, other actions have been necessary. Trusted servants continue to explore methods to reduce the costs of operations as well as assess the services supplied.

Contributions for 2005 have been budgeted at $5,275,000 in total. Contributions received for the year 2004 were slightly ahead of 2003.

During 2004, contributions from groups and individuals of $5,064,000 were $37,000 (less than 1%) under budget but $67,000 (1.3%) greater than 2003. Contributions received from World Service Meeting countries toward the World Service Meeting International Literature Fund amounted to $126,400, approximately $25,000 more than in 2003.

Total Operating Revenue for the period is anticipated at $11,011,100, approximately 4% more than the 2004 budget and 1% greater than the 2004 actual results.

Total Operating Expenses for 2005 have been budgeted at $10,940,000, approximately $277,300 or 2.5% less than 2004 and $377,000 or 3.3% less than the 2004 budget as well. This year’s decrease represents serious efforts to reduce costs without significantly affecting service.

For 2005 the GSO has budgeted excess of revenue over expense of $71,083. This compares with an actual loss for 2004 of $107,828 and $70,991 loss budgeted. The GSO operating losses as well as other withdrawals from the Reserve Fund (La Viña, Computer projects) all have worked to reduce the Reserve Fund balance.

2005 Grapevine Budget

The 2005 Grapevine Budget calls for an average circulation 106,500 approximately 6,000 copies fewer than the 2004 budget and approximately 1,700 copies fewer than the 2004 paid circulation number of 108,203. Circulation for 2003 was 112,614, 2002 was 115,753, 2001 was 115,034, 115,734 in 2000, 116,000 in 1999 and 117,300 in 1998.

Income: Magazine income of $1,883,300 is expected, about $12,000 less than 2004. Other Publishing Income from books, cassette tapes, and miscellaneous items is budgeted at $651,000, approximately $84,000 higher than 2004. The increase in the “other items” category anticipates sales of new products.

Total Gross Profit: Combining the magazine and other publishing items, the gross profit of $1,587,150 is budgeted compared to $1,578,250 achieved for 2004 and the 2004 budget of $1,746,000.

Total Operating Expenses: Total Operating Expenses for 2005 are budgeted at $1,621,400, approximately $51,000 more than 2004 actual of $1,570,413.

Net Income: For 2005 the Grapevine anticipates a profit of $17,800. This compares with a 2004 budgeted profit of $105,100 and an actual profit from operations of $60,945.

2005 Spanish Grapevine Budget

Following the 1995 General Service Conference Advisory Action #7, the publication of the Grapevine magazine in Spanish was approved by the Grapevine Board of Directors and the trustees’ Finance Committee of the General Service Board. Recognizing this publication as a new venture, both boards will review the financial impact on the Fellowship and the progress of circulation and continue to monitor the viability of this venture. In 2001 the board recommended and the 2001 Conference approved that the Spanish magazine continue to be published by the Grapevine but Funded by the General Fund instead of continuing to draw funds from the Reserve Fund.
