65th General Service Conference

Celebrating 80 Years of Recovery, Unity and Service — The Foundation of Our Future

The 65th General Service Conference of Alcoholics Anonymous in the United States and Canada was held at the Crowne Plaza Times Square in New York City, April 19-25, 2015. The 133 Conference members consist of delegates from the 93 Conference areas in the U.S. and Canada, trustees of the General Service Board; A.A.W.S. and Grapevine Board directors; and General Service Office and Grapevine staff members.

The Conference was officially opened Sunday afternoon with the roll call by G.S.O.’s general manager Phyllis H., followed by greetings from the delegate chair Jake J., of Northern Minnesota. The Keynote Address was given by J. Gary L., Northeast regional trustee.

This year’s Conference was chaired by chairman of the General Service Board Terry Bedient; Phyllis H., G.S.O.’s general manager; and Jake J., Minnesota, delegate chairperson. G.S.O. staff member Mary C. was Conference coordinator.

Sunday evening the Opening Dinner was followed by an open A.A. meeting, chaired by Michelle D., Alberta/NW T, chairperson of the Conference Agenda Committee; the leader was Anne F., South Dakota. Speakers were: Steve S., G.S.O. staff; Sally W., Wyoming; Luc T., NW Quebec; Chet P., Southeast regional trustee; and Phyllis H., general manager, G.S.O.

Conference week is filled with board and committee reports, presentations and discussions, area service highlights, sharing sessions and committee meetings.

The main focus of the Conference though, is on the deliberations of each of the thirteen Conference committees, and it is during the committee meetings that the major work of the Conference is done. After a joint meeting with each corresponding standing trustees’ committee, the Conference committees review material and background information, weigh and discuss various issues and come up with recommendations which may result in Conference Advisory Actions. (Highlights of Advisory Actions appear on page 3.)

Trustee elections were held Wednesday afternoon. Richard P., of Pelham, NH, was elected Northeast regional trustee; and Yolanda F., San Antonio, Texas, was elected Southwest regional trustee. The new trustee-at-large/Canada will be Scott H., of Kamloops, British Columbia. At the Delegates Only meeting Tuesday evening Barb C., West Virginia, was selected to be the delegate chair for the 66th Conference; Tom M., NE Texas, will be alternate chair.

Some Highlights from the Conference:

- **World Service Meeting** — The 23rd WSM was held last October in Warsaw, Poland. Bob W., trustee-at-large/U.S. gave an overview of the meeting. Then Rick W., G.S.O. staff member on the International desk, spoke on “A.A. Around the World.”
- **80 Years — Happy, Joyous and Free** — Excitement is running high as we rapidly approach (“Just 70 days!” said Georgia delegate Rebecca T.) the 2015 International Convention in Atlanta. Eva S., G.S.O.’s International Convention coordinator, ran down the highlights of the celebration. Then the Riverside Drive Players (G.S.O. and Grapevine employees) put on a humorous skit covering possible happenings during the July 2–5 weekend.
- **Electronic Voting** — In the first year of a two-year trial, members voted on committee recommendations during the Thursday session only. A survey was taken evaluating this process and will be included in a report to be compiled after the conclusion of the two-year trial.
- **G.S.O. Visit** — Tuesday afternoon delegates and their families and friends took the subway uptown to visit the General Service Office. For many it was their first trip to G.S.O. The highlight for many was the A.A. Archives — to sit on Bill’s couch, to see the ancient typewriter used to type the manuscript of the Big Book, to view the memorabilia of past Conferences in the display case, as well as touring the office and meeting G.S.O. and Grapevine workers.
• **Conference Inventory** — This was the final year of a three-year inventory. Wednesday morning members split into 15 groups to discuss the final 14 questions. A summary of the report backs may be found on page 4 and a full report will be in the *Final Conference Report* (M-23), available in September. There will also be a complete publication, covering this three-year project, later in the year.

• **A.A. Meeting** — Each morning at 7:00 the G.S.C. Serenity Group met for coffee and sharing. James H., Southwest Texas, chaired the open discussion meeting; Dave A., New Brunswick/P.E.I., was the secretary/treasurer.

Friday afternoon rotating Panel 64 delegates lined up around the room and each gave a moving and emotional two-minute farewell. The 65th General Service Conference was officially closed with the Serenity Prayer, led by Mary Jo R. (English), Raymond D. (French) and Jose R. (Spanish).

Rotating trustees gave their farewell talks at the closing brunch on Saturday morning: Frances L. Brisbane and Corliss Burke, Class A (nonalcoholic) trustees; Nancy H., general service trustee; J. Gary L., Northeast regional trustee; and Clayton V., Southwest regional trustee. Barb K., trustee-at-large/Canada, was unable to attend the brunch.

In his Keynote Address on opening day of the Conference J. Gary L., spoke of how Alcoholics Anonymous has come in the past 80 years and outlined some of the challenges it faces in the future. In closing, Gary told members of the 65th Conference, “We frequently say to you at the close of each General Service Conference, ‘You are now a part of A.A.’s history.’ I would submit that you are also a part of A.A.’s future.”

**Opening for Two Class A (nonalcoholic) Trustees**

Following the 2015 General Service Conference there will be openings for two Class A (nonalcoholic) trustees, replacing John A. Fromson, M.D., of Waban, MA, and Michele Grinberg, J.D., of Charleston, WV.

The trustees’ Nominating Committee asks that trustees, delegates and directors submit any names they deem appropriate as candidates for Class A trustees. Class A trustees are chosen from a variety of professional backgrounds including doctors, lawyers, financial professionals, clergy, media and public relations professionals, information technology and communications professionals, correctional administrators, social workers, educators and the military professionals. In seeking applications for all vacancies in Alcoholics Anonymous, the Fellowship is committed to creating a large applicant file of qualified persons, which reflects the inclusiveness and diversity of A.A. itself.

Please submit your candidate’s business or professional résumé to the Secretary, trustees’ Nominating Committee, General Service Office, by July 24, 2015.

---

**Opening for Grapevine Nontrustee Director**

A.A. Grapevine has started its search to fill a vacancy for one nontrustee director, which will open following the 2016 General Service Conference. Interested A.A. members are encouraged to submit a résumé. In seeking applications for all vacancies in Alcoholics Anonymous, the Fellowship is committed to creating a large applicant file of qualified persons, which reflects the inclusiveness and diversity of A.A. itself.

For this position, familiarity with digital media and experience working with the youth community are some of the qualities most desirable in the person who will fill this position. Prior service as a delegate is not required. Past delegates must have rotated a minimum of one year. Therefore, Panel 64 delegates will not be eligible.

Basic qualifications for this position are: a minimum of seven years of continuous sobriety; a sound business or professional background is preferable, but not limited to the following areas—management, publishing, media, or information technology; the ability to work with others; availability to attend all regular meetings of the Grapevine Board (currently, up to eight per year), three weekend meetings of trustees’ committees (to which corporate board directors are appointed), and the Conference, for one week in April.

In addition, directors may be called upon to attend subcommittee or other meetings and to represent Grapevine at Regional Forums or other A.A. functions. Résumés should be sent to Janet Bryan at jbryan@aa.grapevine.org no later than July 20, 2015.

---

**Save the Date**

A Regional Forum may be coming to your neighborhood — or just a short distance away.

August 21–23 — West Central, Parkway Plaza Hotel, Casper, Wyoming.

September 11–13 — “Additional” Western Canada, Westmark Hotel Whitehorse, Whitehorse; Yukon.

**Trustees**—that the slate of trustees be elected at the annual meeting of the members of the General Service Board of Alcoholics Anonymous, Inc. in April 2015.

Additional Considerations

**Archives**—the committee reviewed the Archives Workbook noting minor changes and a new section “Sharing on Digital Archives.”

**Cooperation With the Professional Community**—the committee asked that the trustees’ committee continue to read and review the selection of pamphlets included in the C.P.C. Kit.

1. The General Service Office does not keep membership records. The information shown here is based on reports given by groups listed with G.S.O., and does not represent an actual count of those who consider themselves A.A. members.

2. U.S. and Canada only.

3. We are aware of A.A. activity in more than 170 countries, including 61 autonomous general service offices in other lands. Annually we attempt to contact those G.S.O.s and groups that request to be listed in our records. Where current data is lacking we use an earlier year’s figure.
Taking inventory, in the best sense of the word, is a fundamental aspect of the A.A. program. As cofounder Bill W. reflected in A.A. Comes of Age (page 231), "Just as each A.A. must continue to take his moral inventory and act upon it, so must our whole society do if we are to survive and if we are to serve usefully and well." An inventory, then, at the level of general service is a natural outgrowth of that which is done to maintain individual sobriety throughout the A.A. Fellowship. However, as noted in the Keynote Address at the opening of the 2013 General Service Conference, the inaugural year of the General Service Conference Inventory Plan, “Inventory of the Conference and personal inventory in the Steps are not quite the same. At the Conference, the emphasis will be on effectiveness in carrying out the purposes of the Conference, not on ‘character defects.’ ”

The address continued, “We don’t take inventory simply because it is, in and of itself, a good thing (like kindness, or generosity), but rather because it is an important element of our continued sobriety. The same holds true for our service inventories, including the Conference inventory that we are now undertaking. We are not here to take pride in doing the responsible thing by taking an inventory. We are here to help assure the unity and effectiveness of A.A. in its mission to carry the great message of hope to anyone, anywhere, who has a desire to do something about his or her drinking problem.”

A Brief History
In August 2008, following successful inventories taken by the General Service Board and its two operating corporations, A.A. World Services, Inc. and A.A. Grapevine, Inc., a General Service Board subcommittee was formed to discuss a proposal for a General Service Conference Inventory. After considerable discussion by the board and Conference, extending over three years, the 2011 Conference Committee on Policy/Admissions proposed to the full Conference “that the General Service Conference conduct a thorough inventory of itself in accordance with the Comprehensive Plan formulated by the Conference Inventory Planning Committee.”

It was determined that the Inventory should take place over the span of three years and cover a series of topics related to A.A.’s Twelve Concepts for World Service. In 2013, the first year of the Inventory Plan, a number of issues relating to the overall effectiveness of the Conference and the Conference process were discussed. The major topics covered were: Communication, Use of Technology, Conference Orientation and Preparation, Conference Participation/Timing, and Information. In 2014, the second year of the Inventory Plan, a number of additional issues were discussed, focusing on: Language Equality, Diversity, Conference Agenda, Conference Deadlines, Conference Theme, and Communication.

Year Three — The Inventory Continues
Over the course of the third year of the Inventory, a number of significant issues relating to Conference practices and procedures surfaced. The major topics were summarized to include:

Working Together and Increasing Trust: Three familiar areas were articulated in terms of creating a more balanced working relationship between the trustees and the Conference: a) making sure agenda items are received as far in advance as possible to ensure full participation throughout the Fellowship; b) finding ways to keep the trustees and Conference committees in meaningful contact throughout the yearlong Conference process; and c) cultivating more input from delegates regarding agenda items.

Engaging the Fellowship: Engaging the Fellowship with relevant and ongoing information about the Conference is not a new problem, and a number of reports recognized the historical gap between individual A.A. members and the Conference itself. “Participation by the average A.A. is blocked by the idea that the Conference is complicated, intense,” noted one report. “Can we simplify communication about our process? Find a way to de-mystify the language?”

Carrying the Message in a Diverse and Changing Society: To be truly representative of the Fellowship, the Conference and the board need to keep inviting diversity by reaching out to members of all ages, races, income, education and language levels, those with special needs, and those with differing professional backgrounds. “Diversity begins with us, one-on-one,” said one report. “We can’t have a democratic organization without having the top of the pyramid fully participating.”

Improving Communication: One common theme expressed through many reports was the importance of listening as a fundamental aspect of good communication. As one report noted, “We can get so caught up in A.A. rigidity, but if motivated by the spirit of listening, our group conscience can result in good decisions.”

Looking Toward the Future: Now that the Inventory is done, it was suggested that the Conference take a similar long-term approach to the Concepts with an eye toward making them more accessible to the Fellowship as a whole.

Conclusion: ‘Interconnected Circles of Love and Service’
In all its actions, the General Service Conference seeks to be of maximum usefulness as the guardian of A.A.’s services, Steps and Traditions, and to be the voice and conscience of the Fellowship as a whole. As planned, the General Service Conference Inventory spanned three Conferences and has come to a close.

“We cannot underestimate the importance of this first-ever General Service Conference Inventory,” noted Southern Indiana delegate Cathi C. in the 2015 Conference
“But the inventory itself is mere information,” she continued, “an account of the Conference’s assets and liabilities. What happens when the inventory is over is critical to the current and future success of the Conference. To paraphrase the Big Book, “having made an Inventory of the General Service Conference, what shall we do about it? Is the Conference’s work then done?”... 

“Knowing that solitary self-appraisal is insufficient, we will gain much by sharing the report throughout our interconnected circles of love and service. We will benefit greatly by discussing our shortcomings with trusted servants at all levels of our structure. It will give everyone who is willing the opportunity to help create plans for the betterment of our Conference. Let us involve and inspire our leaders of tomorrow as they continue the challenging assignment we have only just begun.”

In closing, said Cathi, “As we look at where we are today, celebrating 80 years of Recovery, Unity and Service, let us also celebrate our General Service Conference Inventory. We have begun a journey of strengthening our foundation and moving ahead toward the future.”

### Opening Flag Ceremony

One of the highlights of each International Convention is the parade of flags of those countries represented at the Convention, which takes place at the Opening Meeting on Friday evening. For the 2015 International Convention the General Service Conference has approved an encrypted, anonymity-protected Internet broadcast of the 2015 International Convention Opening Flag Ceremony. Access to the broadcast, which will be available through G.S.O.’s A.A. website (www.aa.org), will begin on Saturday, July 4 and end on Monday, July 6, 2015, at midnight Eastern Daylight Time.

### Résumés for Trustees

**Election Due January 1, 2016**

Two new Class B (alcoholic) regional trustees, from the West Central and Western Canada regions, will be nominated at the General Service Conference in April 2016. Résumés must be received at G.S.O. no later than January 1, 2016, and must be submitted by *area delegates* U.S./Canada, only. In seeking applications for vacancies in Alcoholics Anonymous, the Fellowship is committed to creating a large file of qualified applicants that reflect the inclusiveness and diversity of A.A. itself. Please submit your candidates’ résumés to the secretary, trustees’ Committee on Nominating, G.S.O.

The new West Central regional trustee will fill the position currently held by Andrew W., of Missoula, MT. The next trustee from the Western Canada region will fill the vacancy left after the passing of Marty W., of Sidney, BC.

A sound A.A. background is a basic qualification for Class B trustees. Ten years of continuous sobriety is desirable but not mandatory. Candidates should be active in both local and area A.A. affairs and, because trustees serve the entire Fellowship, they require the background and the willingness to make decisions on matters of broad policy that affect A.A. as a whole.

Since much is asked of the trustees with respect to their time, it is important that trustee candidates understand the commitment of time required. Trustees are expected to attend: three quarterly board weekends, with meetings running from Saturday morning through Monday noon; a quarterly meeting combined with the General Service Conference (seven days) in April; and any special meetings of the board. Regional trustees also serve in rotation for attendance at Regional Forums other than in their own regions. In addition, regional trustees are usually asked to serve two years on either the A.A.W.S. or Grapevine Corporate Boards, which meet more frequently than the General Service Board.

Trustees serve on committees of the General Service Board and may also serve on trustees’ subcommittees or corporate board subcommittees, whose work often involves conference calls. They are often invited to participate in regional or area activities, such as service conferences, area assemblies, etc. Trusteeship is for four years. Applicants are encouraged to discuss this time commitment with their family and employer. Trustees are reimbursed for travel, hotel and meal expenses.

### Corrections Appointed Committee Member

The trustees’ Committee on Corrections has an opening for an appointed committee member. We are searching for an appropriate individual to fill this position and would appreciate any recommendations. Some of the qualities most desirable for this appointed committee member opening are:

- Someone who has Corrections experience in Canada to aid in the development of Corrections Correspondence Service (C.C.S.) in Canada.
- Active in A.A. service, especially strong experience in carrying the message into correctional facilities.
- Availability for meetings of this trustees’ committee held during General Service Board weekends (usually the last weekend in January, July and October), as well as one week during the General Service Conference in April.
- At least five years of continuous sobriety.
- The ability to work within the committee structure.

In seeking applications for all vacancies in Alcoholics Anonymous, the Fellowship is committed to creating a large file of qualified applicants that reflects the inclusiveness and diversity of A.A. itself.

For more information please call the Corrections desk at G.S.O. (212) 870-3085, or email corrections@aa.org. Deadline for applications is June 21, 2015.
## The Budget Highlights

### 2015 G.S.O. Budget

These budget highlights describe the “OPERATIONS” of the General Service Office — A.A. World Services (the Publishing operation), the General Fund (Service activities) and the Grapevine Operations. It excludes any activities reported separately in the Reserve Fund, Convention Fund, Post Retirement Fund or the Capital Projects Fund.

**Income:** The 2015 budget projects literature gross sales of $14,820,000. The 2015 budget was developed with unit sales volumes projected to be approximately even with 2013, reduced further for the effects of the large purchases made by clients prior to the October 2014 increase in selling prices of literature. The budget anticipates a small amount of sales of the 75th Anniversary Edition of the first edition of the Big Book, as well as increased revenue resulting from the literature price adjustment effective October 2014. When approving the 2015 budget, the A.A.W.S. Board continued to focus diligently on revenue and expense assumptions and how they ultimately affect the long-term fiscal health of the General Service Board and its Reserve Fund.

Manufacturing, royalties, and shipping and warehousing costs are budgeted lower than both the 2014 budget and the 2014 actual results, primarily due to 2014 expenses associated with both the sales of the 75th Anniversary Edition and the purchases from clients prior to the literature price increase.

After subtracting manufacturing, royalties and shipping and warehousing costs, gross profit is budgeted at $9,636,750, or 66.1%. Gross profit has been budgeted about $257,000 less than 2014, again primarily due to the anticipated reduction in sales of the 75th Anniversary Edition and pre-price increase sales. The 66.1% gross profit percentage anticipated for 2015 compares with 58.6% realized for 2014.

It should be recognized that as we continue to strive to have literature available throughout our Service Structure in Spanish and French, as well as English, lower print runs in non-English languages usually result in higher production costs. We strive to have the same selling prices regardless of the manufacturing cost; therefore lower gross profit margins for low volume items will affect the overall gross profit percentages in the future.

The table below reflects the Gross Profit Percentages from 2010 through the 2015 budget.

Prudence dictates that ongoing reviews are necessary to control costs and reinforce the revenue stream to provide sufficient funds to continue providing services. Trusted servants continue to evaluate costs of operations as well as assess the services provided.

**Contributions:** Seventh Tradition self-support contributions for 2015 are budgeted at $7,000,000, which is at the same level as the 2014 budget and slightly greater than 2014 actual contributions received of $6,898,000.

During 2014, contributions from groups and individuals (as distinguished from those received for the World Service Meeting literature efforts) of $6,828,490 were $135,500 less than budget and $41,759 less than 2013. Contributions received from World Service Meeting countries toward the World Service Meeting International Literature Fund efforts amounted to $69,600, approximately double the $36,000 received in 2013. Total contributions, including WSM efforts, were just over $6,898,000.

The percentage of the A.A. groups that choose to list with the General Service Office that have participated in the Seventh Tradition by contributing to the General Service Office has remained in a relatively stable range (between 41.6% and 45%) for the past ten years.

**Total Operating Revenue** for 2015 is anticipated at $16,637,150, a decrease of approximately $155,000 (0.9%).

**Total Operating Expenses** for 2015 have been budgeted at $16,440,000, approximately $1,024,200 or 6.6% greater than 2014 expenses and approximately 2.5% greater than the 2014 budget. The 2015 budget is higher because the General Service Conference is back in New York City, as well as additional staffing needs for a full-time IT manager, accounting department personnel and the transition to a new general manager.

The 2015 G.S.O. budget anticipates an excess of revenue over expense of $197,125. After considerable discussion, the A.A.W.S. Board recommended and the General Service Board approved the 2015 budget.

It should be remembered that generally the Reserve Fund is funded by literature profits. This anticipated profit for 2015 compares to the annual average literature profits of $1,376,656, $31,554 for 2013, $152,448 for 2012, $819,132 for 2011, $1,255,289 for 2010, $1,273,500 for 2009, and a loss of $275,000 for 2008.

### 2015 Grapevine Budget

The 2015 Grapevine Budget calls for an average circulation for the print magazine of 69,652. This anticipates 3,769 fewer copies than the 2014 budget and approximately 5,593 fewer copies than the 2014 average paid print circulation of 75,269. The 2015 budget calls for approximately 5,368 GV online subscriptions, which compares with the 2014 budget of 5,561 and the 5,262 actually achieved. Print magazine circulation for the last 16 years is depicted in the adjacent chart.

**Income:** Magazine income of $2,113,375 is expected to be approximately $117,000 less than 2014. Other Publishing Income from books, booklets, compact discs, ebooks and other items is budgeted at $734,573, approximately $47,000 less than 2014.

**Total Gross Profit:** Combining the magazine and other publishing items, a gross profit of $1,958,427 is budgeted for 2015. This compares with $2,058,336 achieved for 2014 and the 2014 budget of $1,903,119.

**Total Operating Expenses:** Total Operating Expenses for 2015 are budgeted at $1,961,254, $241,597 greater than the 2014 expenses of $1,719,637, and $140,687 greater than the 2014 budget.

**Net Income (loss):** For 2015, the Grapevine anticipates a net loss of $14,607. This compares with a 2014 budgeted profit of $94,252 and an actual profit from operations of $325,829.

### 2015 La Viña Budget

Following the 1995 General Service Conference Advisory Action #7, the publication of the La Viña magazine in Spanish was approved by both the Grapevine Board and the trustees’ Finance Committee of the General Service Board. Recognizing this publication as a new venture, both boards were to review the financial impact on the Fellowship and the progress in circulation growth and to continue to monitor the viability of this new venture. In 2001, the General Service Board recommended, and the 2001 Conference approved, that the La Viña magazine continues to be published by the Grapevine and that any ongoing shortfall between revenues and operating expenses be funded by the General Service Board’s General Fund, instead of continuing to draw funds directly from the Reserve Fund.

For 2015, La Viña expects a gross profit on the magazine of $56,973, compared with $59,448 achieved in 2014. Circulation for 2015 is estimated to decline to 9,860, some 519 or 5% less than the 2014 average and 7% fewer than the 2014 budget. Other Publishing Income is estimated at $1,632, which after deducting cost of product of $2,534 expects to contribute $9,298 to revenue. Total costs and expenses are estimated at $22,572 for 2015, approximately $24,000 greater than 2014 and $19,000 more than the 2014 budget. The 2015 budget projects a shortfall of expense over revenue of $15,658, to be funded by the General Service Board’s General Fund. The anticipated 2015 shortfall is $27,000 greater than the 2014 shortfall of $13,055. As noted above these shortfalls for this service activity are funded by the General Service Board’s General Fund. Net shortfall since inception (1995) to date are approximately $1,800,670.

The Chart above reflects the La Viña magazine circulation.
