Literature has played a major role in A.A.’s growth, and a striking phenomenon of the past quarter-century has been the explosion of translations of our basic literature into many languages and dialects. In country after country where the A.A. seed was planted, it has taken root, slowly at first, then growing by leaps and bounds when literature has become available. Currently, “Alcoholics Anonymous” has been translated into forty-three.*

I Am RESPONSIBLE...

When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that: I am responsible.

M-10

A.A. PREAMBLE

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

M-56

A DECLARATION OF UNITY

This we owe to A.A.'s future; To place our common welfare first; To keep our fellowship united. For on A.A. unity depend our lives, And the lives of those to come.
