What to EXPECT

First-Timer Orientation
All are welcome. We especially welcome you if this will be your first Regional Forum. Before the Forum starts, there will be an orientation session that will include an informational handout.

Sharing Sessions/Ask-It Basket
What have you been wondering about? Come up to the mic, maybe others have been wondering too. Share your thoughts and ask your questions. If you don't want to come to the mic, you can write out your comment or question and drop it into the “Ask-It Basket.”

Presentations
You will hear presentations covering topics such as A.A. Around the World, Self-Support and Carrying the Message. Most presentations feature handouts. There will be time for questions and answers. It's a great way to get to know members of the General Service, A.A. World Service and AA Grapevine Boards, as well as staff from the General Service Office and AA Grapevine.

AA Grapevine / La Viña
Meet the Staff from AA Grapevine and La Viña, “our meetings in print,” and learn how the magazines carry experience, strength and hope to A.A. members in a vast number of settings. You can learn how to contribute stories and participate as a Grapevine/La Viña representative.

Workshops
The workshop topics come from recommendations made by Forum attendees the last time we were in your Region. Workshops may cover practical “how-to” topics as well as themes related to unity, recovery and service. At the end of the Forum we will ask you for ideas for the next Forum in your Region.
