Dear A.A. Friends:

Warm greetings – we hope this letter finds you well.

We are reaching out to provide an update on upcoming changes to the list prices for AAWS digital downloads, including e-books and audio-books. At its March 6th meeting, the AAWS Board approved the new pricing. The e-book price for A.A. in Prison will remain unchanged at \$2.99. These updates will take effect on May 4, 2026.

The last price increase occurred in 2023, with a prior adjustment in 2022. This change is part of our ongoing effort to implement “normalized list prices,” aligning pricing as closely as possible across our various literature formats, including print.

Please note that the list prices for AAWS print materials and other physical media items (CDs and DVDs) were previously adjusted, effective February 1, 2026. A detailed price list is attached for your reference.

Thank you for your continued support and understanding.

With gratitude for your service,

Ken T.
Chair, AAWS Board

Bob W.
General Manager, G.S.O.
