G.S.O. Announcement

With an Eye to the Future: G.S.O. Staff Positions

We are updating our file of applications from A.A. members who are interested in being considered for possible future openings for the position of G.S.O. staff member. G.S.O. staff people are A.A.s who carry out rotating assignments and correspond with A.A.s throughout the world on all aspects of recovery and service. Additionally, they represent G.S.O. at A.A. functions throughout the U.S. and Canada and provide the primary staff support for the General Service Board. Currently there are 11 staff members who cover a variety of assignments including: Public Information, Treatment/Accessibilities/Remote Communities, Literature, Cooperation with the Professional Community, Corrections, International and the General Service Conference.

Minimum qualifications include the following: a minimum of six years continuous sobriety; legally authorized to work in the U.S., a background in service at the group and district and area levels; business or professional experience; and excellent communication and organizational skills. Another consideration is a willingness to relocate to New York, if necessary. In addition, fluency in French and/or Spanish with excellent oral and written skills will be considered a plus for all candidates.

If you are interested or would like more information, please contact: Director of Staff Services via email at directorstaffservices@aa.org or by postal mail at: Box 459, Grand Central Station, New York, NY 10163.
