**Announcing: the Quebec Sign Language (LSQ) video translation
of the pamphlet “Access to A.A.: Members Share on Overcoming Barriers”**

August 8, 2024

Dear Friends,

We are delighted to announce that the Quebec Sign Language (LSQ) translation of our pamphlet “Access to A.A.: Members Share on Overcoming Barriers” (Item P-83) is available on aa.org.

Produced with the help and participation of A.A. members who are deaf in Canada’s A.A. Area 87, the video can be viewed (at no charge) on aa.org.

Why produce this pamphlet in LSQ?

The pamphlet, in signed and in written formats, reminds us that everyone who has a problem with alcohol is welcome in Alcoholics Anonymous, no matter what other challenges they may face.

This pamphlet includes the experiences of A.A. members who are blind and/or deaf, those who have hearing or vision loss, those who are housebound or chronically ill, and those who are living with the effects of brain injuries or stroke. These are the stories of alcoholics who found A.A. and are now living new and productive lives free from alcohol. For other

stories of hope and recovery, check out an A.A. meeting or visit aa.org

“Access to A.A.: Members Share on Overcoming Barriers” (Item P-83) is also available for free online in English, French, and Spanish. To purchase hard copies of the print versions, visit the AAWS webstore [click here](#).

As always, we encourage ordering these and all our literature items via your local distribution sources—groups, districts, Intergroups and Central Offices, as they play a vital role in local Twelfth Step activities.

With all our best wishes as we continue our work together to carry the A.A. message via our literature in accessible languages and formats.

Warmly,

David & Kelley
