## **Notice of a printing error in English-language editions of *Twelve Steps and Twelve Traditions***

Dear A.A. friends,

We have discovered a printing error in some editions of the English-language book *Twelve Steps and Twelve Traditions*.

Due to a typographical error, the text of the Long Form of Tradition Eight was inadvertently repeated in the Long Form of Tradition Nine (page 177) in this edition. The accurate full text of Tradition Nine (Long Form) appears on page 178.

*Please note: The correction has been entered into in our files for future printings.*  
*Also note: French- and Spanish-language editions are not affected. They do not contain this error.*

### ***We have implemented the following messaging to our readers about the error:***

- A. Softcover copies of the English edition (B-15) currently shipping from our warehouses have the following EDITOR'S NOTE printed on the inside front cover of each book:

Due to a typographical error, the text of the Long Form of Tradition Eight was inadvertently repeated in the Long Form of Tradition Nine (page 177) in this edition. The accurate full text of Tradition Nine (Long Form) appears on page 178.

*We apologize for this error. The correction has been entered into in our files, and the corrected pages will appear in the next printing of this volume.*

*Continued on next page*
