

A glass of water is tipped over, spilling water onto a surface covered in droplets. The background is a gradient of light to dark brown, with numerous water droplets of various sizes scattered across it. The glass is tilted to the right, and the water is spilling out of it, creating a large puddle that is shaped like a map of the United States. The glass is clear and filled with water, and the water is spilling out of it, creating a large puddle that is shaped like a map of the United States.
